

What does your school want from a visit to York Minster?

York Minster's Learning Centre would like to invite you to a consultation event on Friday 8 June from 12.30pm to 4pm

We would be really interested to hear your views and opinions on what York Minster can offer for Key stage 3.

During the day you'll be able to find out about what we currently do, what's planned looking forward, while having the chance to offer feedback and opinions on what could we potentially offer for pupils in years 7 to 9.

The afternoon will start with a welcome at 12.30pm and there will be lunch & coffee available during the day.

A Minster tour will also take place - including the Crypt and Undercroft Museum - and we'll visit the Old Palace to see some of the collections and primary sources in our library.

The day will close in the Learning Centre where there will be a consultation and a chance for discussion. We aim to finish by 4pm.

You will be able to receive £100 pounds for supply cover and we can make a contribution to travel expenses.

If you are interested in attending - or would like to request more details - please contact:
