On Sundays, signs and host staff will be in place to inform people that this is the way to enter the Minster. Please support our Minster Police, and our Hosts, as they work to ensure your safety. Please also ensure that you do not leave any bags unattended.

*Access for our daily early morning services, including the 8 o'clock on Sundays, is by the south door.

Children in church during the summer

The regular groups for under 5s and 5-11s will not meet for the next few weeks. The leaders and children and families are enjoying summer holidays.

The groups will begin again on **Sunday 9 September**.

Sunday 29 July to Sunday 2 September.

Welcome to all families and children who are visiting us over the summer weeks.

If you have small children with you in the service and need a quiet space at any time, you can go to the St Nicholas Chapel in the North Transept where you will find some story books and a place to sit for a while with your children.

Please ask if you are a visitor and you do not know where this space is - someone will show you the way!

Updating our records

A reminder for all parents and carers that the Minster is renewing its records and the information that we hold. Forms were given a few weeks ago now and we need the information back from you as soon as possible please. Please return your information forms to one of the Leaders when you collect your children. If you have mislaid your copy please collect another one from the Leaders today.

Sharing and Developing Faith

In the June 2017 Minster Bulletin, Canon Chris wrote about a pilot project that he had run during the Easter season that year. 10 people from across the Minster Community were invited into his and Sue's home to test an idea for sharing and developing faith. Using the story of the journey of two disciples walking along the Road to Emmaus after the crucifixion, who are encountered by the Risen Christ, the pilot project consisted of four sessions, the basic purpose of which was to provide an opportunity for the participants to share their own faith story and listen to that of others. The pilot project was highly successful and, since then, there have been two further courses, with another one being planned for this autumn. This course is open to anyone, so if you would like to hear more about it, please contact Canon Chris, or read about the course further in the forthcoming Minster Bulletin.

The fine details, including timings, are yet to be confirmed. The cost of a seat on the coach will be £25. At this stage we want to collect the names of all those who would like to come. If you would like to come but the cost is a major problem please let us know and make sure your name is on the list. If you would like to come and would be happy to pay a little extra to help someone else to attend, please also let us know. Please get in touch with Hilary Reynolds at hilaryr@yorkminster.org to put your name(s) on the list. *Canon Michael*

Lay Ministry Assistants

In September last year we welcomed Sammi Tooze and Phil Grayson as Lay Ministry Assistants. Over the last year they have been sharing in ministry both here and at St Luke's, Burton Stone Lane, as they have been seeking to discern God's call on their lives. It has been an enjoyable and enriching experience for us all at the Minster and at St Luke's and we hope it has helped Sammi and Phil in their journey of faith. Sammi stopped being a Lay Ministry Assistant soon after Easter this year as she got a job in the Diocese of Leeds. Phil's time as a Lay Ministry Assistant ends today. On behalf of everyone at the Minster I want to thank them both for all they have contributed to the life of the Minster and to assure them of our love and prayers as they continue to discover and nurture their gifts and skills and to discern where God is leading them. *Canon Michael*

Joanna Barr

We have been delighted to have Joanna Barr on placement with us for the last month. Joanna is at Ridley Hall Theological College in Cambridge and has just completed her second year. She has been experiencing ministry in a Cathedral and I hope has enjoyed her time here as much as we have enjoyed having her. We send her our love and prayers as she begins her final year at college before being ordained next year.

Discovering God's Love – York Minster's Mission weekend led by the Archbishop of York 28 – 30

September 2018. Over the past two years the Archbishop has been spending many weekends leading Missions in Deaneries around the diocese. At the end of September he is coming to lead a Mission here. There will be many opportunities for us to bring family and friends to events at the Minster to see the Archbishop, to share in worship with him or maybe even to meet him. On Friday evening we will have our Harvest Thanksgiving, led by children and young people, followed by a Ceilidh in the Minster. About 100 members of our community shared in this last year and our aim is that about 200 people should share in it this year, because we are all asked to bring others with us. The Archbishop will be Chaplain for the Day in the Minster on the Saturday, leading the hourly prayers, presiding at the midday Eucharist and being available to speak and pray informally with anyone who is in the Minster. An entertaining and informative evening event is being planned to which we can bring family, friends and neighbours. On Sunday the Choral Eucharist will have the theme of renewing baptismal promises and we will be encouraging those baptised in the Minster over recent years, and anyone else who wants to renew their baptismal promises, to come and share in this service. Plans are well in hand for this great weekend. Please make sure you have it in your diary and start thinking now about who you might like to invite to come and share in the services and events that will be taking place. *Canon Michael*

A message from our Lifestyle Environment Sustainability and Stewardship (LESS) group

It will be good for us to join the campaign that has raised awareness of how millions of bottles are bought every day in the UK, and only half of them make it to recycling. It is unnecessary to be buying more plastic and also be paying for water that could be free. There are many types of refillable bottles on the market. Businesses including cafes, pubs, and restaurants are now very happy to refill these bottles for us, free of charge. Let us take advantage of every new initiative that comes along, and play our small part in the protecting of God's beautiful world.

Recycling and craft activities

We are still in need of the following for our summer craft activities. If you have some please bring them to Church House Reception, rather than putting them in your recycling:

- yoghurt pots
- egg boxes
- kitchen roll tubes.

Many thanks for contributing to our summer programme.
