A message from our Lifestyle Environment Sustainability and Stewardship (LESS) group The last Friday of September was the Minster Community Harvest Festival: a pause in our busy lives to celebrate and thank God for "our life, our health, our food." Nowadays we rely less on home grown food to feed us, and are thus less aware of "The seed- time and the harvest," and the need for, "The breezes and the sunshine, And soft refreshing rain;" (unless we are gardeners!) Can we then this month, count it as a special "thanksgiving month," for the abundance of fresh produce available on our market stalls, local shops and super markets ('local' being from our area, Yorkshire or the UK.) Not only will the food be fresher and better for us, but it is likely to be put into paper bags or straight into our own bags! Thus less plastic and packaging, just what we are aiming for!

Upcoming Community Events A Nun's Story - Sister Agatha - 24 October and 'Desert Island Discs' with the Revd Catriona Cumming - 23 November. More details to follow.
