An update on the appointment of a new Dean was given, and reports were given by some of the sub-groups. The committee started discussions on the development of the social group, and how we might better foster community in our cathedral. The committee will next meet in December.

Volunteering at York Minster Have you considered serving the Minster Community by becoming a volunteer? We are looking for stewards for services and events, co-ordinators of rotas (including coffee rota out of term time), regular Sunday Eucharist worshippers to read the lesson. Please send your name and address and the area that you are interested in to Volunteering@yorkminster.org Volunteers have regular updates on activities in the Minster and must provide two referees, some roles (for example, Children and Young People's Leader) require satisfactory DBS check (with Barring). Training specific to the role is provided, and we ask you to attend induction to learn how your role contributes to the Chapter of York as a whole. We consider Volunteer applicants at all times and try to match your interests, skills – or the skills you wish to develop - to the current needs in the Minster. If you want to know more please speak with Susan Mason or Hilary Reynolds.

A reminder about York Minster's Pastoral Network York Minster is a large, vibrant and diverse Christian community. In the midst of all that we seek to do to communicate God's love to all of our visitors, to the communities of York, to our Diocese and to the wider Province, it is important that we also share God's love amongst ourselves. Jesus teaches us to love one another and, from earliest times, Christian communities have not only worshipped together but have cared for each other. We would like everyone who is a member of our Minster Community to feel that they are cared for and valued. With such a large number it is impossible for one person to know and care for everyone, which is why we have set up our Pastoral Network. We have appointed about 25 people from our congregation to be Pastoral Links, and each of these Pastoral Links is asked to exercise gentle pastoral oversight of 10 or 15 people on our

Community Roll. This entails simply getting to know who their people are, chatting with them when the opportunity arises and possibly sending a card at Easter and Christmas. When there is a significant event in someone's life we hope that the Pastoral Link will let the Canon Pastor know who will respond appropriately. The Pastoral Network is not intended to compete with or replace natural friendship groups that already exist within our community, we simply want to ensure that all members of our community feel cared for and valued. If you would like to join the Pastoral Network there are forms to fill in available at the back of the Lady Chapel after 8.00 am Holy Communion, on the Community table after the 10.00 am Choral Eucharist, and outside the Quire after Matins and Evensong. It is important to emphasise that this is pastoral care with a very light touch – we simply want everyone on our Community Roll to know they have someone who knows them and is looking out for them. *Canon Michael*

Foodbank Appeal Thank you to all those who have contributed to our annual Harvest appeal for food support for Middlesbrough Foodbank. We will be at the back of the Minster to collect the food today before the 10.00 am Eucharist and before the 11.30 am service. We would be grateful for volunteer drivers to take the food to Middlesbrough on November 6. If you can help please contact us on 01904 481225 or mary@djmhs.force9.co.uk *Mary and David Smith*

A message from our Lifestyle Environment Sustainability and Stewardship (LESS) group It is November, and we are heading towards the Christmas season. Have you stopped to consider how many very important messages your Christmas cards might carry this year? (1) The front could portray images of the First Christmas, that serve as a reminder to the recipient of the "reason for the season." (2) There could be a verse of Scripture from the Christmas story. (3) The profits from the purchase of your card from a Christian charity, furthers the work of that charity. The card would also carry information about that work, for the recipient to read. (4) On the back of your card could be the mark of "responsible forestry," for the production of the cardboard, for your card. "Embrace," one of the Minster's charities for this year, has produced some very lovely cards, that tick all these boxes! See shop.embraceme.org or call 01227 811644 for a catalogue.
