

*Inviting everyone to discover God's love
through our welcome, worship, learning and work*

**Sunday 1 November 2020
All Saints' Day**

Changes to end of services Traditionally the end of a service is an opportunity to meet and chat together, but the current circumstances mean that we simply cannot do this in person. This is difficult for all of us, but for the safety of everyone, and to comply with Government guidelines, we are asking congregations to leave promptly at the end of services, as guided by our stewards.

To help with this, exit from the 11.00 am Eucharist, and from Evensong, will now be via the North West door until further notice.

Clergy remain available for pastoral conversation at other times, and contact details are in this notice sheet. There is also an opportunity to meet together on zoom, after the 10.00 am Eucharist online, for virtual coffee.

Face coverings are now mandatory for all those attending a place of worship (unless you are exempt), including ministers, worshippers, staff, volunteers, contractors and visitors, where there may be other people present; remembering that they are mainly intended to protect other people, not the wearer, from coronavirus COVID-19 and that they are not a replacement for physical distancing and regular hand washing. *In order not to impair audibility during public worship, clergy will remove masks to speak and lead prayers but will wear masks at all other times: those who are administering holy communion will wear a mask during the time of administration.*

Please be aware that York Minster is now required to ask for your name and a contact telephone number or e-mail when you attend for worship. This will only be used if we are required to contact you due to the Test & Trace programme. Please bring a piece of paper or card with your contact details on it with you and put it in the box provided at the entrance. We will hold this information securely and will destroy it after 21 days.

Pastoral Care at York Minster during the Covid 19 emergency Clergy continue to be available for pastoral conversations. If you would like to chat, please drop us an email with your phone number, and we will get back to you.

- 10.00am Matins (Quire)
- 11.00am Eucharist (Nave)

Tickets can be booked 8 days in advance, online through www.yorkminster.org or by phone on (01904) 557200 (9.00am to 3.00pm daily).

Zoom Services and Music We recognise that there are still those in our community who are not able to join us for worship in the Minster, and that this number may fluctuate, based on the prevalence of Covid-19. We are committed to continuing our Zoom services into 2021.

Zoom Services and the Collection One of the many elements of our regular service that is missing, however, is the collection! We understand that the present crisis is causing many to struggle in different ways, not least financially. However, others are not affected so There's been much positive feedback about the services we have been sharing via Zoom.

Thank you to everyone who is in a position to support the mission and ministry of the minster through regular giving during these difficult days. If you are not a regular giver and are in a position to 'put something in the collection', like you would at a normal service, please go to our website on this link <https://yorkminster.org/get-involved/donate/> Here it is possible to make a one off donation or to set up a new Standing Order. Thank you. *Canon Michael*

NOTICES

All Souls' Day, On Monday 2 November, there will be a Day to remember those who have died this year. The grief of bereavement has, this year, been amplified by the impact of the pandemic, with many people prevented from being with their loved one in their last hours and then having to navigate restrictions on funerals and memorial services. The recently bereaved will be welcomed into the Minster to remember their loved ones.

A space will be created inside the cathedral for people to sit quietly, to reflect, to pray and to light a candle for their dead. The day will conclude with the Minster's annual Requiem Eucharist for All Souls' Day at which we always remember loved ones who have died. At this service we will light a special candle for all who have died so far during the pandemic. This candle will burn at our major services over Advent and Christmas as a symbol of all those who have died this year and are being missed as we travel through Advent and as we celebrate Christmas.

From Monday 2 November, *People We Love*, a new commission by York based arts group KMA, will open at the Minster as part of York Medialé's 2020 international media arts festival. The installation will create a temporary 'congregation' made up of a collection of five, large, high definition screens which will showcase a series of video portraits of York citizens. The portraits are focused on people who have been filmed looking at a photograph of someone they love. Viewers of *People We Love* will never find out who the subject is looking at. The viewer will simply experience the emotion on the face being projected before them allowing them to interpret each unspoken story. Visitors will also be able to add their story to the installation as a pop-up booth will be on-site, ready to capture the love stories of the city without the need for words. The work will resonate deeply in a year overshadowed by the Coronavirus pandemic.

Remembrance Sunday York Minster is pleased to be able to host a simple Service of Remembrance for the Military, Veterans and Civic Representatives on Sunday 8 November at 10.30 am. The service will be live streamed for the wider community. Because of Covid-restrictions there will be very few tickets available on this occasion for general admission, but later that afternoon there will be Requiem Eucharist for Remembrance Sunday for the Minster Community.

Farewell for OHP Sisters

Canon Michael, as Canon Pastor, has written to Sisters Karan and Linda, on behalf of the community, to thank them for all they contributed to the life of the Minster during their time with us.

The card was designed by a member of the Minster community, and the message from Canon Michael is below.

We still hope to be able to thank Karan and Linda face-to-face at some point in the future.

To Sister Linda, Sister Karan
and all the sisters in the
Order of the Holy Paraclete.

with thanksgiving, love
and prayers

from
Canon Michael
(on behalf of the whole
community at
York Minster)

Thank you, Linda and
Karan for all that you
shared with us during your
time here. We give thanks

We also give thanks

we look forward to sharing
our friendship in new
ways in the future.
