### **Tuesday afternoon Zoom Consultations beginning 2 March**

During Lent there's an opportunity for discussion and feedback after the sermons and webinars on Prayer, Service, Stewardship and Hospitality.

On Tuesday afternoons there is a little more time to reflect informally on each subject. Meetings last for an hour and are hosted by a lay member of the Community Committee. We will assume that most people who come will have engaged with the sermons and the webinars on our website - but just to be sure we all know what each meeting is about they will begin with a brief summary of what was included in the sermon and webinar and the thoughts and ideas that have been shared and noted so far.

The aim of the meetings is to take note of present good practise in each area and, from that good practise, to consider what we should seek to develop. Finally we will explore if there is any new activity or approach we should be considering in each subject area. Please do come along and join in the discussions.

## ***Richard Shephard RIP***

Whether it was a meeting, or a church service, or an anthem, or, most particularly, a sermon, Richard was always in favour of brevity. Usually when one of our community dies we talk about how they have been involved in the life of the Minster. If I were to start this short notice with all the ways Richard has contributed to the life of the Minster this would become very long and he would be very cross ... that, in itself, makes it tempting to do .... but I will resist. Headteacher, fundraiser, singer, composer, Chapter member, worshipper ..... Richard was part of the fabric of York Minster which is why his death on Saturday 20 February 2021 has saddened us so much. It feels like the end of an era.

Of course, talk of Richard being part of the fabric of the Minster is not just a metaphor. He is actually part of the fabric of the place. Next time you walk between the Minster and the school at the south east corner of the Cathedral, look up and you will see Richard, with his baton. Please think of him when you are next there and maybe offer a prayer of thanksgiving for all that he gave to us.

Stories about Richard abound. Here are few: ex pupils of the school invariably remember their old headmaster warmly. He used to quieten down a noisy classroom or hall by tapping his signet ring repeatedly against a radiator. He was a prime mover in establishing a girls' choir here at a time when many thought that an outrageous thing to do. When conducting the YMS he once said, "Sopranos, for heaven's sake, you are meant to sound electrifying, not electrocuted..." As a member of Chapter he was always the one to point out slight errors in the minutes – the old school master marking homework. Not a great fan of sharing the peace at the Eucharist he would often mysteriously disappear at that point in the

service. Richard was hugely generous. He was always ready and willing to encourage and support young musicians in any way he could.

When Richard retired from the York Minster Fund a few years ago he spoke of the Minster as a pool of water. He went on to say that those of us who play a part in its life are pebbles which when thrown create a few ripples for a while. Then our time passes, the ripples we make disperse and the pool remains still. It was a humbling image. The ripples of Richard's life are many and wide. As we look to the future York Minster will continue to benefit from the creative ripples of Richard's life. *Canon Michael*

**Current Vacancies**

You may know that Carlotta Cammelli leaves us to take up a new position working on the restoration of the stained glass at Manchester City Hall with Reyntiens Stained Glass Studio. We are all delighted for Carlotta and wish her the very best in her new adventure.

This means we have a temporary vacancy in the Chapter Office available to our Staff, Volunteers and Minster Community. The Office of the Dean is looking to appoint an Executive Assistant on a 6 months fixed term contract to start as soon as possible.

As this is an interim development opportunity, we do not anticipate that the successful candidate will necessarily have all of the essential knowledge and skills listed in the personal specification. It is our intention that you will provide essential support to the Dean while also learning new skills or, indeed, developing existing ones. If you would like to discuss this opportunity further before making an application please contact [jobs@yorkminster.org](mailto:jobs@yorkminster.org)

The role is for 0.8 of full time equivalent, but 0.5 would be considered if it could be offered at 5 mornings per week. The salary for the role is £16,500 (for 0.8 FTE) and to apply please submit an application form, confidential declaration and equality and diversity monitoring form to [jobs@yorkminster.org](mailto:jobs@yorkminster.org) by 23:59 on Sunday 14 March 2021.

### **Community Action**

#### ***Thanksgiving for Vaccines***

Christian Aid are running a campaign out of thanksgiving for the vaccine, and a desire to share that with others. Details are below:

As more of our family, friends, and neighbours receive their COVID vaccinations, we rejoice and are glad that our loved ones are protected. We give thanks for all the NHS staff and key workers who continue to save lives across the UK.

For the poorest and most vulnerable communities across the world, there is little hope of a vaccine rollout. These people already face a lack of water, food, and healthcare. Some are homeless. Some are living with underlying health issues such as HIV.

Christian Aid is already on the ground, helping keep people safe from coronavirus with practical support – but with your gift of thanks we can do more.

**Have you or your loved ones had your vaccine?**

Please give thanks with a donation to help protect our global neighbours while the vaccine is out of reach. <https://www.christianaid.org.uk/>
